Plante & Moran, PLLC  
Liz Hedden – Treasurer  
Dennis, Gartland & Niergarth

July 5, 2011

Dear COPAS Members:

I hope everyone is having a fantastic summer. A new year has begun for COPAS of Michigan. The board had the annual transition meeting, has determined the budget, meeting dates for the upcoming year and discussed the goals for the society.

Below is a list of the upcoming meeting dates for the next year.

**August 25, 2011** we will be meeting in Gaylord at a site to be determined. At the time of this letter we are still finalizing the programs to be presented. More details will follow.

**September 22, 2011** we will present an educational seminar at the Grand Traverse Resort in Acme. This seminar is titled "Land for Non-Landmen" and has received positive feedback from other societies. We will send out more details including registration information soon.

The COPAS Fall National Meeting is in Wichita, Kansas on October 17-21. This is a chance to see what is going on in our field on a national level. I will be attending and any member is encouraged to attend as well. Continuing professional education is offered.

On **November 10, 2011**, we will be meeting in Gaylord at a location to be determined. We will update you as more information becomes available.

Our final two meetings of the 2011-12 year will be on **February 9 in Traverse City** at a location to be determined and **April 18 at the Grand Traverse Resort in Acme (Traverse City)**.

As a group we continue to work on planning our meetings to make them informative, educational, and worth attending. Please let any of the officers know if you have any meeting topic suggestions. This group provides a great opportunity to explore relevant oil and gas topics and offers great networking resources.

Also, I encourage you to utilize your COPAS network to assist you with any industry-related challenges that you cannot solve on your own. This group has a lot of valuable experience, and membership gives you access to over 3,500 members from 24 individual societies throughout North America.

**Attached are the forms for the 2011/2012 membership dues. The membership fee remains at \$125.00. This membership fee includes access to the meetings mentioned above, lunch at those meetings, the quarterly magazine, networking opportunities, educational resources, and discounted seminar registration fees. Please encourage others to join!**

**Please complete the attached invoice with your name and company information. Please submit this invoice and payment by August 25, 2011 (1<sup>st</sup> meeting). If you know of any potential members, please pass on this information.**

Have a great summer. We look forward to seeing everyone soon.

Best wishes,

A handwritten signature in black ink, appearing to read 'Dan Triezenberg', is written below the text 'Best wishes,'.
